

Continue

Be ready for extra fun with your Pokemon Shiny Gold Sigma or Pokemon Ultra Shiny Gold Sigma because we now have the cheats you need for your next adventure. Shiny Gold Sigma and Ultra Shiny Gold Sigma are both fantastic games. These two versions are almost identical, but the ultra is the upgraded version with many new features. Luckily, the cheats listed below will work whatever version you have. Note: Cheat codes below are thoroughly tested on My Boy GBA Emulator for Android. But the cheats could also work on any Game Boy Advance emulators that support GameShark codes such as John GBA, VBA, VBA-M, and GBA4iOS. Warning: Though very tempting, try not to overuse a cheat as a rule of thumb. Activate only the codes you need, and don't pair one cheat with another. Max Stats 1st Pokemon Maximum Stats4202442DA03E7000000070002 2nd Pokemon Maximum Stats4202442DA03E7000000070002 3rd Pokemon Maximum Stats420243A203E7000000070002 4th Pokemon Maximum Stats4202440603E7000000070002 5th Pokemon Maximum Stats4202446A03E7000000070002 6th Pokemon Maximum Stats420244CE03E7000000070002 Walk Through Walls Watch video: Click here Cheat code:509197D3 542975F478DA95DF 44018CB4 No Random Battles Watch video: Click hereCheat code:D41DD0CA 33A629E5 8E883EFF 92E9660D Unlimited Rare Candy in PC Watch video: Click hereCheat code: 820258400044 Unlimited Master ball in PC Watch video: Click hereCheat code: 82025840 0001 100% Catching Rate 87ACF659 707466DC8BB602F7 8CEB681A Catch/Steal Trainer's Pokemon Instruction: Press L+R before using pokeballs. Do not use on a double battle, it has Glitch.
